Fallen Heroes

Shake it upâ€¦ and find the door out of hereâ€¦
Fill it up... and get the rest out of hereâ€¦
Cold Decemberâ€¦ pick up the pase to make it through
Silly notesâ€¦ you just know what to do..
And all of the rest.. will soon make it through

There is light and shadow.. inside your soul
ThereÂ´s a red light shining through.. inside your soul
We will come homeâ€¦ no oneÂ´s missingâ€¦ no oneÂ´s gone..
And all of the rest.. are homeâ€¦

Twenty young men, reached the bottom of their life
Still not gone, he made it home to his wife
Trusted feelings.. thereÂ´s no time for loosing hope..
Fallen Heroes.. guns and battles in clouds of smokeâ€¦
And all of the rest.. are home..

There is light and shadow.. inside your soul
ThereÂ´s a red light shining through.. inside your soul
We will come homeâ€¦ no oneÂ´s missingâ€¦ no oneÂ´s gone..
And all of the rest.. are homeâ€¦
