

Rise Or Fall

Quiet Riot

Take action
Gotta raise a fist in blood
Domination
Can't continue acting like jerks You show me all there's a chance
With only words for defence
There is no freedom to speak, no Rise or fall
Number one to take the stand
Rise or fall
Take a word from this promised land Yeah Your reaction
Sticks and stones are no match for steel
This rebellion
Revolution's in your hands Now listen So it's part Apache
Do you know what that means?
Is it a segregation? Rise or fall
Number one to take the stand
Rise or fall
Take a word from this promised land Strength in numbers can alter your place
Take the action before it's too late
Make a stand Give it up Rise or fall
Number one to take the stand
Rise or fall
Take a word from this promised land Rise or fall
Number one to take the stand
Rise or fall
Take a word
Take a word from this land Rise or fall
Rise or fall
