

Anthem to a New Generation

Liferuiner

All I have.

All I have.

All I have.

All I have. This is all I have,
you can't fucking change who I am.

This is all I have,
and if you disrespect,
you'll die by my hands. This is all I have,
you can't fucking change who I am.

This is all I have,
and if you disrespect,
you'll die by my hands.
