My Lovely Angel

Lime

(Denis LePage, Denyse LePage)Teardrops, only teardrops
Open my eyes like a sad song
Heartaches, only heartaches
When you're far away
Don't give all your love away
When I'm not around to hold you
I'll hurry home to you again
Dry your tears awayMy heart stops, yes my heart stops
Yet my mind tries to be so strong
You'll make, only you'll make
Sadness go away
Baby, I'll be home to stay
I'll be giving all my love to you
We will be together again
Each and every day(Chorus, Repeat 2x)
You're my lovely angel
(Baby, I say) my lovely angel
(Baby, I say) heavenly angel, you(Repeat Verse 1)(Repeat Chorus 2x)(Keyboard Solo)(Repeat Verse 2)(Repeat Chorus 2x)Oh, yeah...(Repeat Chorus 2x and Fade
