Glory Bound

The Grass Roots

All the sun on the outside Doesn't touch what I feel within When I've got you beside me I'm reachin out for the rainbows end You get to me and give me a feelin that's comin on Gettin stronger and strongerGlory bound to that everlastin feelin Glory bound, oh I'm never never comin downIts 5: 00 in the mornin I'm lookin out on a sky of gray I don't care, let the rains come If I'm with you it's a sunny day You make me feel so close to heaven Whenever I'm beside youGlory bound to that everlastin feelin Glory bound, oh I'm never never comin downI need the comfort I see in your smile I need the touch of your hand Come on and bring out the best in me, girl Don't you know that you canGlory bound to that everlastin feelin

Glory bound, oh I'm never never comin downGlory bound to that everlastin feelin
Glory bound, oh I'm never never comin down
