

Change

Daniel Merriweather

i saw a dried up river and rich man turning on a garden hose,
i see a young man picking up a gun i guess that's where the money goes,
am i just as good as a bad man sleeping while the rest are dying
or am i just as bad as a good man saying there's no use in trying

Oooo tell me do you still believe
Oooo everything that you read
?til we learn to get together and see who we really are
ain't nothing gonna change
ain't nothing gonna change
if nobody's gonna wake up and start asking whose in charge
ain't nothing gonna change
ain't nothing gonna change
ain't nothing gonna change
nanananana (yeah)

(rap)

n ain't sh*t changing but diapers on babies get higher than the background singers singing (naanaanaanaa)
singing (nananana)
ok sing it

some people do it all for money & some do it all for their love
some do it all for the glory there's nothing else their thinking of
i saw a man in a four door truck complaining that the price was high
like a well fed man with a spoon in his hand saying who ate all the apple pie (yeah)

Oooo tell me do you still believe
Oooo everything that you read
?til we learn to get together and see who we really are
ain't nothing gonna change
ain't nothing gonna change
if nobody's gonna wake up and start asking whose in charge
ain't nothing gonna change
ain't nothing gonna change
ain't nothing gonna change
nanananana (yeah)

(rap)

If I ain't ready to listen im never gonna listen
most follow intuition while they wishing it would work

and my vision isn't perfect so i don't n?ver learn for it
go on and wish for some change like a church worker
hallelujah preacher i am not influenced
if i don't donate to your movement am i not improving
and while a poor kill a poor for a portion
that piece of American society pie
i get high the munchies i got
so bare witness
i got this girl looking at you cuz my rims kissing (mwah)
n i ain't ready to wait
when it's dollars on the brain why would you expect change

?til we learn to get together and see who we really are
ain't nothing gonna change
ain't nothing gonna change
if nobody's gonna wake up and start asking whose in charge
ain't nothing gonna change
ain't nothing gonna change
ain't nothing gonna change no no
(rap)

n ain't sh*t changing but diapers on babies get higher than the background singers singing (naanaanaanaa)
singing (nananana)
