

When I'm With You

Simple Plan

I'm takin' my time,
I'm trying to leave the memories of you behind,
I'm gonna be fine,
As soon as I get your picture right out of my mind, I want to feel the way you make me feel when I'm with you,
I want to be the only hand you need to hold on to,
But every time I call you don't have time,
I guess I'll never get to call you mine, For nothing at all,
I know there's a million reasons why I shouldn't call,
With nothing to say,
I could easily make this conversation last all day, I want to feel the way you make me feel when I'm with you,
I want to be the only hand you need to hold on to,
But every time I call you don't have time,
I guess I'll never get to call you mine, Another lesson I didn't get to learn
Your my obsession
I've got nowhere to turn I want to feel the way you make me feel when I'm with you,
I want to be the only hand you need to hold on to,
I want to feel the way you make me feel when I'm with you,
I want to be the only hand you need to hold on to, I want to feel the way you make me feel when I'm with you,
I want to be the only hand you need to hold on to,
But I guess I'll never get to call you mine
