Peace Will Come (According To Plan)

Melanie There's a chance peace will come in your life please buy one  
There's a chance peace will come in your life please buy one For sometimes when I am feeling as big as the land  
With the velvet hill in the small of my back  
And my hands are playing the sand And my feet are swimming in all of the waters  
All of the rivers are givers to the ocean  
According to plan, according to man Well sometimes when I am feeling so grand  
And I become the world  
And the world becomes a man And my song becomes a part of the river  
I cry out to keep me just the way I am  
According to plan According to man, according to plan  
According to man, according to plan  
Oh there's a chance peace will come  
In your life, please buy one  
Oh there's a chance peace will come  
In your life, please buy one For sometimes when we have reached the end  
With the velvet hill in the small of my backs  
And our hands are clutching the sand  
Will our blood become a part of the river  
All of the rivers are givers to the ocean  
According to plan, according to man  
There's a chance peace will come in your life please buy one.  
There's a chance peace will come in your life please buy one  
For sometime when we have reached the end  
With the velvet hill in the small of my backs  
And our hands are clutching the sand.  
There's a chance peace will come in your life please buy one  
There's a chance peace will come in your life please buy one...
