Zap Pow

Shampoo

Yeah, oh yeah, yeah, oh yeahGo to a party, we'll crash it
In a hotel, we'll trash it
Got a bottle, we're drinking
Got a yacht, he's got a yacht? We'll sink itThere's always trouble
It follows us around
Everywhere we seem to go
Every city, every townThere's always trouble
It follows us around
1, 2, 3, 4
Who's that knocking at the door?
Zap, pow, biff, bang, holy cowSomeone's gonna get it
And they're gonna get it now
Smack, crack, bish bash, heart attack
Someone's gonna get it
And they're gonna get it nowIt's a short walk, we'll cab it
Got no invite, we'll bag it
Got a light switch, we'll fuse it
We've got a false box
And we're gonna use itThere's always trouble
It follows us around
Everywhere we seem to go
Every city, every townThere's always trouble
It follows us around
1, 2, 3, 4
Who's that knocking at the door?
Zap, pow, biff, bang, holy cowSomeone's gonna get it
And they're gonna get it now
Smack, crack, bish bash, heart attack
Someone's gonna get it
And they're gonna get it nowYeah, oh yeah, yeah, oh yeah
