

# Heroin

## DP

Well, I wish, I was born a thousand years ago  
And I wish that I sailed the darkened sea  
On a great big clipper ship, goin' from this land into that  
In a sailors suit and cap away from the big city, away from the big city  
Where a man cannot be free  
Of all the evils in this town  
And of himself and those around  
And I'm closing in on death  
And I guess that I just don't know  
And I guess that I just don't know  
Ah, Jesus died for somebody's sins  
But not mine  
Jesus died for somebody's sins  
But not mine  
I don't know just where I'm goin', ah  
But I'm gonna try for the kingdom if I can, yeah  
'Cause it makes me feel like I'm a man  
When I put a spike into my vein  
And I tell you, things aren't quite the same  
It's a mainline to my pain  
Jesus died for somebody's sins  
But not mine, heroin  
Jesus died for somebody's sins  
( I can feel it )  
But not mine, heroin  
I said, Jesus died for somebody's sins  
But not mine, heroin  
I have made a very big decision  
I gonna try to nullify my life, you know  
I get so low and then the smack flows  
I don't care, I'm gonna make it my wife  
Because when the blood begins to flow  
And shoots up the droopers neck  
And I'm closin' in on death, you can all go take a walk  
And I guess that I just don't know  
And I guess that I just don't know  
Jesus died for somebody's sins  
But not mine, heroin  
Jesus died for somebody's sins

( I can feel it )  
But not mine, heroin  
I said, Jesus died for somebody's sins  
But not mine, heroin  
I said, Jesus died for somebody's sins  
But not mine, heroin  
Not mine, heroin, smack attack  
Jesus died for somebody's sins  
But not mine, heroin  
Jesus died for somebody's sins  
But not mine, heroin  
Jesus died for somebody's sins  
But not mine, heroin  
I said, Jesus died for somebody's sins  
But not mine, heroin, smack attack  
Don't touch that needle  
V.R., heroin, V.R., heroin, V.R., hell , heroin  
(Forever)  
And I'm closing in on death, heroin
