All That I'm Living For

Evanescence

All that I'm living for
All that I'm dying for
All that I can't ignore alone at nightI can feel the night beginning
Separate me from the living
Understanding me
After all I've seen
Piecing every thought together
Find the words to make me better
If I only knew how to pull myself apartAll that I'm living for
All that I'm dying for
All that I can't ignore alone at night
All that I'm wanted for
Although I wanted more
Lock the last open door, my ghosts are gaining on meI believe that dreams are sacred
Take my darkest fears and play them
Like a lullaby
Like a reason why
Like a play of my obsessions
Make me understand the lesson
So I'll find myself
So I won't be lost againAll that I'm living for
All that I'm dying for
All that I can't ignore alone at night
All that I'm wanted for
Although I wanted more
Lock the last open door, my ghosts are gaining on meGuess I thought I'd have to change the world
To make you see me
To be the one
I could have run forever
But how for would I have come
Without mourning your loveAll that I'm living for
All that I'm dying for
All that I can't ignore alone at night
All that I'm wanted for
Although I wanted more
Lock the last open door, my ghosts are gaining on meShould it hurt to love you
Should I feel like I do
Should I lock the last open door, my ghosts are gaining on me
