

# All That I'm Living For

## Evanescence

All that I'm living for  
All that I'm dying for  
All that I can't ignore alone at night I can feel the night beginning  
Separate me from the living  
Understanding me  
After all I've seen  
Piecing every thought together  
Find the words to make me better  
If I only knew how to pull myself apart All that I'm living for  
All that I'm dying for  
All that I can't ignore alone at night  
All that I'm wanted for  
Although I wanted more  
Lock the last open door, my ghosts are gaining on me I believe that dreams are sacred  
Take my darkest fears and play them  
Like a lullaby  
Like a reason why  
Like a play of my obsessions  
Make me understand the lesson  
So I'll find myself  
So I won't be lost again All that I'm living for  
All that I'm dying for  
All that I can't ignore alone at night  
All that I'm wanted for  
Although I wanted more  
Lock the last open door, my ghosts are gaining on me Guess I thought I'd have to change the world  
To make you see me  
To be the one  
I could have run forever  
But how for would I have come  
Without mourning your love All that I'm living for  
All that I'm dying for  
All that I can't ignore alone at night  
All that I'm wanted for  
Although I wanted more  
Lock the last open door, my ghosts are gaining on me Should it hurt to love you  
Should I feel like I do  
Should I lock the last open door, my ghosts are gaining on me
