Everlasting Love

Sandra

You are my everlasting You are my everlasting loveHearts go astray Leaving hurt when they go You went away Just when I needed you soFinding your way You'll come back wanting me I'm gonna stay Loving you endlessly Open up your eyes, then you'll realize Here I stand with my everlasting love Need you by my side, there's no need to hide Never be denied, everlasting love From the very start, open up your heart Be a lasting part of everlasting loveYou are my everlasting You are my everlasting loveLook in my eyes See my love burning strong No more goodbyes In your arms I belongOur time has come All my dreams have come true Two hearts as one Loving me, loving youOpen up your eyes, then you'll realize Here I stand with my everlasting love Need you by my side, there's no need to hide Never be denied, everlasting love From the very start, open up your heart Be a lasting part of everlasting loveYou are my everlasting You are my everlasting loveOpen up your eyes, then you'll realize Here I stand with my everlasting love Need you by my side, there's no need to hide Never be denied, everlasting love From the very start, open up your heart Be a lasting part of everlasting loveOpen up your eyes, then you'll realize Here I stand with my everlasting love Need you by my side, there's no need to hide
