Nonstop Violence

Apoptygma Berzerk

Two police officers killed today, in the independence-minded
republic of Croatia. Clashes between Serbs and Croats are
continuing, despite the cease-fire ordered by Yugoslavian
leaders last week. But the two sides did exchange twenty
prisoners today, that's the second trade in two days.
Come, go, step inside, bring me news from the dying world.
(You thinkers and killers) you're spreading your disease among us.
Warm sweat, no regret, all you see is the TV set,
while people around you are dying like flies.
Non-Stop Violence. They feed us cascades
of non-believers dying in the sand.
Feeding us with violence, we face the fall of man.
Believe me and catch me if you can.
Believe me and catch me if you can.
Come, go, step inside, bring me news from the dying world.
(You thinkers and killers) you're spreading your disease among us.
White noise, in your ears, your eyes blink but money talks,
what you need is silence and a positive life. (Not your TV)
Non-Stop Violence
So I took shelter in tomorrow
Tomorrow will bring a brand new day
Think I'll make it right tomorrow,
think I need more sleep today.
Lets make peace again tomorrow,
I need a will to stay away.
I guess I'll always hate tomorrow
until it's far away, away.
