

Lap Dance

Tyga

Benzo, batman, big hoe, lap dance

Ass so fat need a lap dance

Ass so fat I need a lap dance

Benzo, batman, big hoe, lap dance

Ass so fat need a lap dance

Ass so fat I need a lap dance

[Tyga - Verse 1]

Shit straight killer, Max Payne, Travis Porter, make it rain

Young Money gang, put you on the team

All my bitches fly, put you on a plane

Hundreds in your face, why you broke boy?

Not from Chi city but I make the Illinois

Let your pride gone walk it out

In the bank and I'm only cashing large amounts

One, one, two, two bitch what it do? three, four, drop it to the floor

five, five, six, six, rub on your tits

Seven, seven, eight, eight, make that ass shake

[Hook]

Benzo, batman, thick hoe, lap dance

Ass so fat need a lap dance

Ass so fat I need a lap dance

Benzo, batman, big hoe, lap dance

Ass so fat need a lap dance

Ass so fat I need a lap dance

[Tyga - Verse 2]

It's raining ass and titties, yeah, ass and titties

If you ain't throwing money, mind your f-cking business

Floss like a dentist, Dennis the menace

Room of crazy n-ggas, probably get a life sentence

Sharper than a tac, attack and bite you bitches

Swagga jack and biting on like you n-ggas

Like conscious rappers, mad cause we winning

Snug long nose call it Scottie Pippen

Ahh, got like 200k large, in the back seat of my car

Like Cialis I go hard, motherf-cker

One, one, two, two bitch what it do? three, four, drop it to the floor

five, five, six, six, rub on your tits

Seven, seven, eight, eight, make that ass shake

[Hook]

Make it, make it, make it clap
Make it, make it, make it clap
Make it, make it, make it clap
Make it, make it, make it clap
One, one, two, two bitch what it do? three, four, drop it to the floor
five, five, six, six, rub on your tits
Seven, seven, eight, eight, make that ass shake
[Hook]
