

# My Wheels

## Field Mob

Yeah, so brand new  
It's a celebration bitches  
Him and Chevrolet, him and Chevrolet  
Let's go, Joe  
24s on the donk go 'round and 'round  
'Round and 'round, 'round and 'round  
24s on the donk go 'round and 'round  
'Round and 'round, 'round and 'round  
Brand new 24s on the Chevrolet  
I wash 'em up everyday  
How do you like my wheels  
Check out my wheels, hey  
Now everybody smoke but I be higher than the birds go  
My donk got big feet, I'm drivin' on the dirt flo'  
Now this ain't ya average old school  
My paint change faster than the cast of Road Rules  
My tires is skinny the rims wide and swole  
My sound system like ya life, I got the highs and lows  
Ya hear me comin', I'll give you time to hide ya hoes  
Be five minutes before ya see me 'cause I'm drivin' slow  
Fresher than potpourri be betcha I'm smokin' freely  
Leather with oak and TVs matchin' my spokes and peet me  
Slow motion like a blimp I glide  
And I didn't need Xzibit to Pimp My Ride  
Brand new 24s on the Chevrolet  
I wash 'em up everyday  
How do you like my wheels  
Check out my wheels, hey  
Brand new 24s on the Chevrolet  
I wash 'em up everyday  
How do you like my wheels  
Check out my wheels, hey  
My Chevy Caprice's windows darker than my complexion is  
Tinted like you ridin' in the car with the President  
And it's sittin' way up in the air, people wave say hey and stare  
'Cause my Chevy wheels bigger than the ferris at the fair  
They shinin' brighter than the sun I wash 'em from Monday to Sunday  
I wax on and wax off like I'm Daniel-san  
My roof's missin' on my car, it's topless like a titty bar

I thought I saw my ceiling on the back of a milk carton  
Twenty-four inch wires spin Pirellis on my tire's wheel  
Enough fuel in my Chevy to start a campfire wit'

The doors open by remote that's why you see no handles  
Watch the doors go up like a Lambo  
Brand new 24s on the Chevrolet  
I wash 'em up everyday  
How do you like my wheels  
Check out my wheels, hey  
Brand new 24s on the Chevrolet  
I wash 'em up everyday  
How do you like my wheels  
Check out my wheels, hey  
24s on the donk go 'round and 'round  
'Round and 'round, 'round and 'round  
24s on the donk go 'round and 'round  
'Round and 'round, 'round and 'round

I'm addicted to choppin', I tried to stop, I-I-I feel the fiends  
'Cause see I love Chevys the way they like a rock  
I heard that Kanye West sayin' Jesus Walks  
But if He see what I ride, He'll have a reason to drive  
Stevie Wonder flow can't see me but you feelin' it  
FBI forever Chevy tell 'em who they dealin' wit'  
We the young do' slammers wear the crown around town  
As the wheels on my donk go 'round and 'round  
My speakers hit like Sammy Sosa, got that DJ Magic Mike  
Backseat acne bumpin' like Craig Mack's face  
Pissin' 'em off me 'cause he sloppy in his jalopy  
Until I can sit my Chevrolet on 26s I'll be  
Blowin' dro on 24s  
That's how all my Field Boys roll  
Brand new 24s on the Chevrolet  
I wash 'em up everyday  
How do you like my wheels  
Check out my wheels, hey  
Brand new 24s on the Chevrolet  
I wash 'em up everyday  
How do you like my wheels  
Check out my wheels, hey  
24s on the donk go 'round and 'round  
'Round and 'round, 'round and 'round  
24s on the donk go 'round and 'round  
'Round and 'round, 'round and 'round
