

The Tide Is High

Billie Piper

The tide is high but I'm holdin' on
I'm gonna be your number one
Repeat

It's not the things you do that tease and hurt me bad
But it's the way you do the things you do to me
I'm not that kind a girl who gives up just like that
No no no no no

The tide is high but I'm holdin' on
I'm gonna be your number one
Repeat

Number one

Every girl wants you to be her man
But I'll wait my dear
Till it's my turn

I'm not that kind a girl who gives up just like that
No no no no no

The tide is high but I'm holdin' on I'm gonna be your number repeat
Number one

Well it was one of those days
Not much to do

When I was kick back relax wit' my old school crew
We was rollin' in the jeep
Top down loud sound

Bumped into this girl and her name was billie p
My man was like the girl was on tv
I'm like hugh

What's the song again do you have a girlfriend
Yeah

That's right

She's got a real tight diddy

If you're gettin' down I got the keys to your city
I'm not that kind a girl who gives up just like that
No no no no no

Repeat chorus to fade
