

# Skyscrapers

## No Trigger

Skyscrapers please forgive me I didn't mean a word I said

Skyscrapers I was just tangled up in my own head

And somehow in all the madness I thought that I was seeing straight

It ain't always pretty but it seemed there was no other way

And I guess all I ever loved was standing right before my eyes

And I, oh I, I was blind

So skyscrapers please forgive me I'm standing here repentative man

Oh skyscrapers I'll never look down again, again

Oh 'cause I guess all I ever loved was standing right before my eyes

Oh yeah, I guess all I've ever known was standing here all the time

And I, yeah I, I was blind

You were right here all the time

You were right here all the time, I was blind
