Ambulance Driver

Superdrag

You were runnin' late
Ambulance driver
You arrived too lateThere's nothin' you can do
Why don't you do it anyway?
There's nothin' you can do
Why don't you roll it out, carry it away?On the interstate
Ambulance driver
I could barely waitThere was nothin' I could do
I should've done it anyway
If the word of God is true
Why don't you roll it out, carry it away?There was nothin' I could do
I should've done it anyway
If the word of God is true
Why don't you roll it out, carry it away?
