

With You, Friends (Long Drive)

[Skrillex](#)

All my love. All my love
We fell in love with gravity. But I really do miss you.
All my love. You, you, you. Ahh, all my love.
Repeats x2 Really do miss you. All my love.
You, you, you
Repeats We fell in love with gravity. But I really do miss you.
All my love. You, you, you. Ahh, all my love.
Repeats x2 End~
Bye bye, thats all. Bye.
Thank you.
Like you
Love you.
See you next time.
Bye. Miss you.
