

Wasted (feat. Lissie)

Jack Savoretti

This is your disaster, waiting on a change
But I'm not gonna change, change is not my way
Happy ever after, never been the same
But it's just the same, the same every day You're love is soft
You're love is kind
You're love is wasted on me
Someday you'll see
You're love is blind
You're love is wasted on me Not everything you wanted, not what you deserved
I let you down so easy, leave you on the floor
Choice is your to make, you can choose to learn
No one ever chooses who they love You're love is soft
You're love is kind
You're love is wasted on me
Someday you'll see
You're love is blind
You're love is wasted on me You give up so much of yourself
To everybody else You're love is soft
You're love is kind
You're love is wasted on me
Someday you'll see
You're love is blind
You're love is wasted on me
