

I'm Your Woman

[Kellie Pickler](#)

If you want someone who will turn your head
Whoa oh, I'm your woman
If you want something that you ain't found yet
Whoa oh, I'm your woman You don't know but you just found it
Come on baby think about it
If you want something that's real
I'm your woman, I'm your woman
I'm your woman, I'm your woman If you want someone who will be your friend
Whoa oh, I'm your woman
If you want two arms to get wrapped up in
Whoa oh, I'm your woman Come on baby who ya kiddin'?
We both know that it's a given
If you're wanting something that's real
I'm your woman, I'm your woman
I'm your woman, I'm your woman You know we are just wasting time
It's obvious that baby I'm the one you want Come on baby who ya kiddin'
We both know that it's a given
If you're wanting something that's real
I'm your woman, I'm your woman
I'm your woman, I'm your woman I'm your woman, I'm your woman
I'm your woman, I'm your woman
