His Song

Last Heart Attack

I remember everyday I've laughed with her
Every time I blamed you, I had nothing else to do!
I'm sure I shouldn't be singing this song
But she mustn't think of you cause you don't do the same!I thought I was horrible
But she denied it
So there you are again
Should I just talk to her and tell her these words?So please come here honey and kiss me!
Pretend there's nothing, pretend there's nothing (wrong with me!)
Remember every time I've tasted your lips
Pretend there's nothing, pretend there's nothing (wrong with this!)There's something else to do to take her back
But I can't do that as long as you're in my wayI thought I was horrible
But she denied it
So there you are again
Should I just talk to her and tell her these words?So please come here honey and kiss me!
Pretend there's nothing, pretend there's nothing (wrong with me!)
Remember every time I've tasted your lips
Pretend there's nothing, pretend there's nothing..I thought I was horrible
But she denied it
So there you are again
Should I just talk to her and tell her these words?So please come here honey and kiss me!
Pretend there's nothing, pretend there's nothing (wrong with me!)
Remember every time I've tasted your lips
Pretend there's nothing, pretend there's nothing..
