Make Up Your Mind

Orgy

Make up your mindYou couldn't make me anymore crazy
Than I could stand to be
So won't you just sympathize with meAnd all the things I do
To make you angry with me
What's wrong with me todayYou say, I leave you all alone
Every time you call me as if you needed reason to fall down
And I know this must be hard for you to understand
All this waiting takes too long for meMake up your mindYou don't even know, what's good for you
(You better keep your eyes on me)
Maybe, you're oblivious inside
It is scary that you don't know your chances fade away
Fade away sometimes, maybe, you're oblivious insideNo, you can't deny me
(And I don't want to see you go away)You get angry when I ask what's on your mind
And I should have been asking you
what's been up your sleeve this whole time'Cause now I know you're dangerous
And I know you're dangerous but somehow you're contagiousMake up your mindYou don't even know, what's good for you
(You better keep your eyes on me)
Maybe, you're oblivious inside
It is scary that you don't know your chances fade away
Fade away sometimes, maybe, you're oblivious insideYou don't even know, what's good for you
(You better keep your eyes on me)
Maybe, you're oblivious inside
It is scary that you don't know your chances fade away
Fade away sometimes, maybe, you're oblivious insideNo, you can't deny me
(Make up your mind)
No you can't deny me
No, I don't want to see you go awayYou don't even know, what's good for you
(You better keep your eyes on me)
Maybe, you're oblivious inside
It is scary that you don't know your chances fade away
Fade away sometimes, maybe, you're oblivious inside
