

# Adoramus

## Libera

Adoramus te Rex Gloria  
Cum gaudia infinita  
Adoramus te infinita  
Rex Gloria

Jubilate Deo omnia  
In saecula infinita  
Jubilate Deo omnia  
Rex Gloria

Can you lift me away  
From the dark of this day  
Give me courage  
And help me be free evermore

Adoramus te Rex Gloria  
Cum gaudia infinita  
Adoramus te infinita  
Rex Gloria

Jubilate Deo omnia  
In saecula infinita  
Jubilate Deo omnia  
Rex Gloria

Sancto Spiritu Gloria  
Jubilate omnia  
Sancto adoramus  
Rex Gloria

Can you guide me once more  
Give me strength to be sure  
Send me wisdom  
And help me be free evermore

Adoramus te Rex Gloria  
Cum gaudia infinita  
Adoramus te infinita  
Rex Gloria

Jubilate Deo omnia  
In saecula infinita  
Jubilate Deo omnia  
Rex Gloria
