

Stay Away, Joe

Elvis Presley

Ho jump down, spin around, let's have a party
Look who's back, Stay Away Joe
Chock taw, chick a Shaw, gonna drink me hearty
Welcome back, Stay Away Joe Stay Away Joe they call me
Stay Away Joe, oh yeah
But if you need me call me
Hoop and a holler and I'll be there
Ho Who keeps turnin' up like a bad penny
Take one guess, Stay Away Joe
Always findin' trouble a-plenty
Oh my yes, I reckon you know Stay Away Joe they call me
Stay Away Joe, oh yeah
But if you need me call me
Hoop and a holler and I'll be there
Ho When two lips are right for the pickin'
Who crops up, Stay Away Joe
I love them and leave them screamin' 'n kickin'
Giddy up look at him look at him go Stay Away Joe they call me
Stay Away Joe, oh yeah
But if you need me call me
Hoop and a holler and I'll be there
Hey
