Be Still My Soul

The Priests

Be still my soul, the Lord is on thy side
Bear patiently the cross of grief or pain
Leave to thy God to order and provide
In every change He faithful will remainBe still my soul, thy best, thy Heavenly Friend
Through thorny ways leads to a joyful endBe still my soul, thy God doth undertake
To guide the future as He has the past
Thy hope, thy confidence, let nothing shake
All now mysterious will be bright at lastDelight yourselves in the Lord
Yes, and find your joy in Him
Be known for your gentleness
And never forget the nearness of our God
And don't worry - whatever is going to come
Just tell God every detail
And the peace of God that no one
Understands will come to you
No, don't worry
Just tell Him every detail and His peace will come to you
