## **Be Still My Soul**

## **The Priests**

Be still my soul, the Lord is on thy side Bear patiently the cross of grief or pain Leave to thy God to order and provide In every change He faithful will remainBe still my soul, thy best, thy Heavenly Friend Through thorny ways leads to a joyful endBe still my soul, thy God doth undertake To guide the future as He has the past Thy hope, thy confidence, let nothing shake All now mysterious will be bright at lastDelight yourselves in the Lord Yes, and find your joy in Him Be known for your gentleness And never forget the nearness of our God And don't worry - whatever is going to come Just tell God every detail And the peace of God that no one Understands will come to you No, don't worry Just tell Him every detail and His peace will come to you
