All Through The Night

Status Quo

All through the night Oh oh all through the night All through the night Lonely day, lonely nightVerse 1: All alone again I never get my way It's never been the same I know what I had done before But now it's gone for evermore I want you back again I never get my wayChorus: All through the night Lonely day, lonely night All through the day Lonely night, lonely dayVerse 2: Once upon a time I didn't really care I lost so many times But then I had my share I got a feeling here inside And now I know you're here inside my mind I want you back again I never get my wayChorus:Verse 3: Baby, baby, I just can't go home Callin', callin' Baby, baby, just won't let you go Baby, Holdin, I won't let you goChorus:
