Ready

Cole Swindell

She's finishing up putting on her makeup
Teasin me and the curls in her hair I'm just sitting here
She's got me sweating like a cold beer, yeah
Rushing and fussin' about her outfit
Don't she know her kind of fine just don't quit.
Done up or done down I'm starin'
No it don't matter what the girl's wearing

She's ready
She's hurtin me winkin she's workin it so sweet and so sexy
yeah she's moving she's singing I'm losin it thinking
Lord help me so help me
She got me rockin my world no stopping kind of hot and heavy
Yeah whenever she's ready, oh she's ready

I take her out but they don't know what's coming downtown
I'll be dammed heads turnin everywhere and I know it ain't fair, man
She's every bit of all mine, ain't sharing
The place is packed and the drinks are flowing
Band on stange just gettin rollin
She's lookin like a rockstar
Yeah, the real deal party don't start

Till She's ready
She's hurtin me winkin she's workin it so sweet and so sexy
Yeah she's moving she's singing I'm losin it thinking
Lord help me, so help me
She got me rockin my world no stopping kind of hot and heavy
Yeah whenever she's ready, and right now she's ready

I'm ready, she's leaning into me
I'm reachin for the keys to my Chevy
Little whisper in my ear, gotta get her out of here

She's ready
She's hurtin me winkin she's workin it so sweet and so sexy
Yeah she's moving she's singing I'm losin it thinking
Lord help me, so help me
She got me rockin my world no stopping kind of hot and heavy

Yeah whenever she's ready, oh she's ready

Yeah, my baby's ready.
Oh she's she's moving she's singing I'm losin it
She's hurtin me winkin she's workin it so sweet and so sexy
Whenever she's ready, mmm she's ready
