

Sweet Romance

Donna Summer

Father dear, don't you hear me?
I'm alone and I can't sleep from crying
Father dear, well, if you hear me
I've been held closely by a stranger
Sweet romance

The moment that my eyes first saw him in a glance
I knew right from the start that I adored him
Sweet romance

I may never see the man again, so help me find him
So help me find him
Listen, if you find him
Won't you tell him just how much I love him?
Father, I've only got you
Please, won't you make him love me too?
Sweet romance

The moment that my eyes first saw him in a glance
I knew right from the start that I adored him
Sweet romance

I may never see the man again, so help me find him
So help me find him

Oh, oh, oh
Sweet, sweet
Sweet romance

The moment that my eyes first saw him in a glance
I knew right from the start that I adored him
Sweet romance

I may never see the man again, so help me find him
So help me find him
Father, hear me calling
You're the only one I can turn to
My life has been so empty
And he could fill my emptiness too
Sweet romance

The moment that my eyes first saw him in a glance
I knew right from the start that I adored him
Sweet romance

I may never see the man again, so help me find him
Help me, help me
