Beauty Through Broken Glass

Eyes Set To Kill

Glass hailed from the sky that night
I couldn't hide to save my life.
Standing drenched from open wounds.
You took my hand, and pulled me through.
I want to give you everything
Ill give you my all because you gave me
You gave me your lips
A gentle kiss
The medicine to cure my pain
Listen to all this glass shatter.
I peirced my ears and made them bleed.
Now sounds so beautiful

Cause you're beatiful.
You're beautiful.
I want to give you everything
Ill give you my all because you gave me
You gave me your lips
A gentle kiss
The medicine to cure my pain
I want to give you everything
Ill give you my all because you gave me
You gave me your lips
A gentle kiss
The medicine to cure my pain
