Right Here Right Now

American Authors

I wanna sip champagne on a private plane
I wanna scream my name on the top of the Eiffel Tower
On the Eiffel Tower
I wanna hit that blackjack twenty four
I wanna take that money and run
right here right now-ow
right here right now-owBut I won't take that train
I won't catch that flight
If you're not
On that plane
We ain't takin' off tonightAll! The money in the world baby don't mean a goddamn thing
Cause you're all that I want
Oh! And even if we're broke baby,
Don't mean a goddamn thing
Cause you're all that I want
Right Here! Right Now!
Ooh, ooh ohoo
Right Here! Right Now!
Ooh, ooh, oohooI wanna steal the show in Tokyo
I wanna Karaoke, bump it a little bit louder
A little bit louder
I wanna sing along with Elton John
In a white limousine only right here, right now-ow
right here right now-owBut I won't take that train
I won't catch that flight
If you're not
On that plane
We ain't takin' off tonightAll! The money in the world baby,
don't mean a goddamn thing
Cause you're all that I want
Oh! And even if we're broke baby,
Don't mean a goddamn thing
Cause you're all that I want
Right Here! Right Now!
Ooh, ooh ohoo
I need your Right Here! Right Now!
Ooh, ooh, oohoo
I need you Right Here! Right Now!
Ooh, ooh, oohoo

Yeaah
I need you Right Here! Right Now!Ooh, I wanna
Scream your name I wanna
make you smile
Let's be
Runaways
Leave it all behind
Will you
Take that train?
Will you
Catch that flight
If you're on that plane we'll be takin' off tonightAll! The money in the world baby,
don't mean a goddamn thing
Cause you're all that I want
Oh! And even if we're broke baby,
Don't mean a goddamn thing
Cause you're all that I wantRight Here! Right Now!
Ooooh ooh ooooh ooh
I need you
Right Here! Right Now!
Ooooh ooh ooooh ooh
I need you
Right Here! Right Now!
Ooooh ooh ooooh ooh
I need you
Right Here! Right Now!
Ooooh ooh ooooh ooh
