Can't Beat The Feeling

Kylie Minogue

There doesn't have to be a reason There doesn't have to be a why And any moment could be magical It could be this night You've got an energy Burnin' like I've never seen Bringin' me to life And I can't beat the feeling that I get When I'm with you My heart plays a rhythm in my head I can't help but move Two people synchronized But the fire brings you closer, I've decided I can't beat the feeling that I get When I'm with you Feel the force of the reaction Let it take you on a ride And all resistance is illogical When your love slides We got an energy Fast revolving round our feet Bringin' us to life And I can't beat the feeling that I get When I'm with you My heart plays a rhythm in my head I can't help but move Two people synchronized But the fire brings you closer, I've decided I can't beat the feeling that I get When I'm with you

When I'm with you
We've got an energy
Burnin' like I've never seen

We've got an energy
Bringin' us to life
And I can't beat the feeling that I get
When I'm with you
My heart plays a rhythm in my head
I can't help but move
Two people synchronized
But the fire brings you closer, I've decided
I can't beat the feeling that I get
When I'm with you
Ooh, ooh, ooh, yeah
Ooh, ooh, ooh, yeah
Ooh, ooh, ooh, yeah
