Teenagers

Rollergirl!

They're gonna clean up your looks
With all the lies in the books
To make a citizen out of you
Because they sleep with a gun
And keep an eye on you, son
So they can watch all the things you doBecause the drugs never work
They're gonna give you a smirk
'Cause they got methods of keeping you clean
They're gonna rip up your heads
Your aspirations to shreds
Another cog in the murder machineThey say that teenagers scare the living shit out of me
They could care less as long as someone'll bleed
So darken your clothes or strike a violent pose
Maybe they'll leave you alone, but not meThe boys and girls in the clique
The awful names that they stick
You're never gonna fit in much, kid
But if you're troubled and hurt
What you got under your shirt
We'll make them pay for the things that they didThey say that teenagers scare the living shit out of me
They could care less as long as someone'll bleed
So darken your clothes or strike a violent pose
Maybe they'll leave you alone, but not me
Ohh yeah!They say that teenagers scare the living shit out of me
They could care less as long as someone'll bleed
So darken your clothes or strike a violent pose
Maybe they'll leave you alone, but not me
All together now!Teenagers scare the living shit out of me
They could care less as long as someone'll bleed
So darken your clothes or strike a violent pose
Maybe they'll leave you alone, but not meTeenagers scare the living shit out of me
They could care less as long as someone'll bleed
So darken your clothes or strike a violent pose
Maybe they'll leave you alone, but not me
