

# King Of The Underdogs

## Newsted

Pick up the pieces that the puzzle made  
From scraps of dreams out of focus and frayed  
Make up the reasons for the words that were said  
From scraps of dreams that trap the screamsTake my place leading the pack  
Back down from my razorback  
I dig deeper to bury and find the trackRunny into the unknown  
Lonely yet I'm not alone  
I keep looking to grind a stoneI am the king  
Underdogs rise  
I am the king  
From the flames  
I am the king  
Underdogs prizeI am the king of the underdogs  
You know that's my nameSworn to fun discovery  
I still dream imagining  
Beyond the edge recoveringUnderdogs rise from the flame  
Feel the sound feet to ground  
Hellhound unchained
