

Too Much

Blondie

It can't be
You stole the keys from me
You locked me inside my rumor gloomIt's too dark to think that I love you
I think love you too much
I love you to the muchGot to go
'Cause now i'm living standardized
And I've been living
Got to leave what I've been giving you
Without your loveGot to go
'Cause now i'm living standardized
And I've been living
Got to leave what I've been giving you
Without your loveI'm not free
I can hardly breath
You locked me outside my heart
It's too dark to think that I love you
I think I love you too much
I love you to the muchGot to go
'Cause now i'm living standardized
And I've been living
Got to leave what I've been giving you
Without your loveGot to go
'Cause now i'm living standardized
And I've been living
Got to leave what I've been giving you
Without your loveYou want me to be nothing
You want me to be nothing
Without you
I love you to the much
