

The Blinding (Live At the S.E.C.C.)

Babyshambles

Come and see the blinding, it's so blinding
It's the last thing that you'll ever see
But you might be happy oh, happier
Than you've ever been So let me show the blinding
Last thing you'll ever see
But you might be free, oh, freer
Freer than you've ever been What will you do
If she runs out of time for you?
Where will you go?
Well, things to be getting on with
On with, on with, on with the show Come and see the blinding, it's so blinding, it's so blinding
It's the last thing that you'll ever see
Let me show the blinding, it's so blinding, it's so blinding
It's the last thing that you'll ever see Oh, what will you do
If they run out of time for you?
And crossing the roads without you
Out you, out you go
Out you go, out you go It's so blinding, it's so blinding
It's so blinding, it's so blinding It's so blinding, means so blinding
It's the last thing that you'll ever see
Last thing you'll ever see
