The Spirit Moves Me

Beck

Walkin' back to the burnin' schoolhouse
And I don't mind bein' afraid
And the kids drinkin' in the park
Tell me where the money goesLate at night and the spirit moves me
Old man with no clothes
Leanin' on my fence
You know I don't need to waste no timeI'm gettin' fast at being the last
And the food don't taste the same
You can call me once a week
Tell me where I beenPhony lady layin' flat on the road
And I'm down to the sound
And the helicopter goin' by
Of a sky turned brownAnd I'm lovin' everything you say
I don't think it's funny
When you shave both of my arms
But that's alright, nowThat I didn't mean to say
Lately I been spittin' out the things
You don't listen to me anyway
