

# The Song Is Love

Peter, Paul & Mary

First of all  
I would like to say a word or two  
I know you won't be thinking this applies to you  
But it's true and it do All your life  
You have had to sing your song alone  
Not believing anybody could have known  
But it's wrong and you know I've found a song let me sing it with you  
Let me say it now while the meaning is new  
But wouldn't it be good if we could say it together Don't be afraid to sing me your mind  
Sing about the joy that I know we can find  
Wind them around and see what they sound like together The song is love, the song is love  
The song is love, the song is love Last of all  
I would like to thank you for the word or two  
Spoken in the moments when I needed you  
To see me through and they do I've found a song let me sing it with you  
Let me say it now while the meaning is new  
But wouldn't it be good if we could say it together Don't be afraid to sing me your mind  
Sing about the joy that I know we can find  
Wind them around and see what they sound like together The song is love, the song is love  
The song is love, the song is love  
The song is love, the song is love  
The song is love, the song is love
