

My Winding Wheel (Live In Malmo)

[Ryan Adams](#)

Well night time let her through
Yeah, I'm talking to you
I wanna see her Precious little thing
With eyes that dance around
Without their clothes So buy a pretty dress
Wear it out tonight
For anyone you think
Could outdo me Or better still
Be my winding wheel 'Cause I feel just like a map
Without a single place to go of interest And I'm further north and south
If I could shut my mouth
She'd probably like this So buy a pretty dress
Wear it out tonight
For all the boys you think
Could outdo me Or better still
Be my winding wheel
Be my winding wheel Well the children laugh and sing
A song that ushers in
Her driving rain And I'm standing in the station
Like some old record
Waiting on a train So buy a pretty dress
Wear it out tonight
For anyone you think
Could outdo me Or better still
Be my winding wheel
Be my winding wheel
Be my winding wheel
