Flick of the Switch

AC/DC

Well there's a lock-up in the ????? ?????

She ???? sickness outta distress She devil, she evil She got you screaming on the rockin' machine With a flick of the switch With a flick of the switch she'll blow you sky high With a flick of the switch With a flick of the switch she can satisfy She gonna blow you all sky high ???? the eye electrify A ???? fusion feel She devil, she evil She got you screaming on the rockin' machine With a flick of the switch With a flick of the switch she'll blow you sky high With a flick of the switch With a flick of the switch she can satisfy
