Disney Time

Millencolin

Puffin' again so happy with his friends
He can dance even in his car
Straight guys should know
Whatever's on his mind
He's got a reason, oh he's got a reason
He's got a reason for every seasonScared to be smart so far he's everything
If you're laughing, he's laughing too
Just let him begin
'Cos in the end he'll win
He's got a reason, oh he's got a reason
He's got a reason, yeahHole in his head, you always tried to never lied to
Now you understand, that he's not your friend
High class my ass, you always tried to never lied to
Now you understand, that you have to seek someone else
With another reason, with another reason
Tricky, tricky, trickDreamin' again, but he's not asleep
His eyes are open starin' at you
Reads your mind through his pipe
And then he tells you that
He's got a reason, oh he's got a reason
He's got a reason for every seasonImpressive you guess
He couldn't show you less
But still you're snow bored like the funky bros
Life must go on and this is just a story
I've got a reason, oh he's got a reason
I've got a reason, yeahHole in his head, you always tried to never lied to
Now you understand that he's not your friend
High class my ass, you always tried to never lied to
Now you understand, you have to seek someone elseWhat's wrong with someone overweight?
Big surprise, he's coming after you with a reason
Oh with a big reason
With a reason, tricky tricky reason, my assHe's got a reason, oh he's got a reason
He's got a reason, oh he's got a reason
He's got a reason, oh he's got a reason
He's got a reason, oh he's got a reasonHe's got a reason, oh he's got a reason
He's got a reason, oh he's got a reason
He's got a reason, oh he's got a reason
He's got a reason, oh he's got a reasonHole in his head, you always tried to never lied to
Now you understand, that he's not your friend

High class my ass, you always tried to never lied to
Now you understand, you have to seek someone else
