Give Me More Time

Whitesnake

I want you
I need your rhyme
But you keep saying, babe
It's gonna take timeI know the heartache
I put you through
Believe me, babe
I'm gonna make it up to youYou are the reason
I'm down on my knees
I'm begging you to give me a chanceIf only you would
Give me just a little more time
Give me just a little more time
Give me just a little more time
Give me just a little more time
To prove it to youSo many feelings
I can't explain
I never thought
I'd ever cause you any painNow I'm alone here
An' I can't hide
The sun don't shine for me
Without you by my sideYou are the reason
I'm down on my knees
I'm begging you to give me a chanceIf only you would
Give me just a little more time
Give me just a little more time
Give me just a little more time
Give me just a little more time
To prove it to youI'm gonna prove itI want you
Right by my side
'Cause you're the only one
Who keeps me satisfiedI need your loving
I need your charms
Can't stand the thought of you
In someone else's armsYou are the reason
I'm down on my knees
I'm begging you to give me a chanceIf only you would
Give me just a little more time
Give me just a little more time
Give me just a little more time
Give me just a little more timeGive me just a little more time, baby

Give me just a little more time
Give me just a little more time
You've gotta give me just a little more time
To prove it to youAn' I'm gonna prove it
