

Give Me More Time

Whitesnake

I want you
I need your rhyme
But you keep saying, babe
It's gonna take time I know the heartache
I put you through
Believe me, babe
I'm gonna make it up to you You are the reason
I'm down on my knees
I'm begging you to give me a chance If only you would
Give me just a little more time
Give me just a little more time
Give me just a little more time
Give me just a little more time
To prove it to you So many feelings
I can't explain
I never thought
I'd ever cause you any pain Now I'm alone here
An' I can't hide
The sun don't shine for me
Without you by my side You are the reason
I'm down on my knees
I'm begging you to give me a chance If only you would
Give me just a little more time
Give me just a little more time
Give me just a little more time
Give me just a little more time
To prove it to you I'm gonna prove it I want you
Right by my side
'Cause you're the only one
Who keeps me satisfied I need your loving
I need your charms
Can't stand the thought of you
In someone else's arms You are the reason
I'm down on my knees
I'm begging you to give me a chance If only you would
Give me just a little more time
Give me just a little more time
Give me just a little more time
Give me just a little more time Give me just a little more time, baby

Give me just a little more time
Give me just a little more time
You've gotta give me just a little more time
To prove it to youAn' I'm gonna prove it
