Give Me More Time

Whitesnake

I want you

I need your rhyme

But you keep saying, babe

It's gonna take timeI know the heartache

I put you through

Believe me, babe

I'm gonna make it up to youYou are the reason

I'm down on my knees

I'm begging you to give me a chanceIf only you would

Give me just a little more time

To prove it to youSo many feelings

I can't explain

I never thought

I'd ever cause you any painNow I'm alone here

An' I can't hide

The sun don't shine for me

Without you by my sideYou are the reason

I'm down on my knees

I'm begging you to give me a chanceIf only you would

Give me just a little more time

To prove it to youI'm gonna prove itI want you

Right by my side

'Cause you're the only one

Who keeps me satisfied I need your loving

I need your charms

Can't stand the thought of you

In someone else's armsYou are the reason

I'm down on my knees

I'm begging you to give me a chanceIf only you would

Give me just a little more time

Give me just a little more time

Give me just a little more time

Give me just a little more timeGive me just a little more time, baby

Give me just a little more time
Give me just a little more time
You've gotta give me just a little more time
To prove it to youAn' I'm gonna prove it
