

# Forever Young

## Youth Group

Let's dance in style, let's dance for a while  
Heaven can wait we're only watching the skies  
Hoping for the best, but expecting the worst  
Are you gonna drop the bomb or not Let us die young or let us live forever  
We don't have the power, but we never say never  
Sitting in a sand-pit, life is a short trip  
The music's for the sad men. Can you imagine when this race is run  
Turn our golden faces into the sun  
Praising our leaders, we're getting in tune  
The music's played by the mad men Forever young, I want to be forever young  
Do you really want to live forever, forever, forever?  
Forever young, I want to be forever young  
Do you really want to live forever, forever, forever? Some are like water, some are like the heat  
Some are a melody, some are the beat  
Sooner or later they all be gone  
Why don't they stay young? It's so hard to get old without a cause  
I don't want to perish like a fading horse  
Youth is like diamonds in the sun  
and diamonds are forever So many adventures couldn't happen today  
So many songs that we forgot to play  
So many dreams swinging out of the blue  
We let them come true Forever young, I want to be forever young  
Do you really want to live forever, forever, forever?  
Forever young, I want to be forever young  
Do you really want to live forever, forever, forever? Forever young, I want to be forever young  
Do you really want to live forever, forever, forever? Forever young, I want to be forever young  
Do you really want to live forever, forever, forever?
