

Hit Me Like a Bomb

Third Day

You hit me like a bomb
and everything I'm used to
is suddenly gone
sorry to accuse you when you hit me like a bomb hear the sound of sirens ringing
see the world of a life that's changing
well you hit me like a bomb I was scared and I started running
can't say I never saw it coming
when you hit me like a bomb na na na na na na na na na na na na na na na you hit me like a bomb Everything is
changing
it didn't take long
for you to start rearranging everything that I've known when you hit me like a bomb hear the sound of sirens
ringing
see the world of a life that's changing
well you hit me like a bomb I was scared and I started running
can't say I never saw it coming
when you hit me like a bomb na na na na na na na na na na na na na na na
