

Shadows Of The Night

[Randy VanWarmer](#)

We're running with the shadows of the night
So, baby, take my hand, it'll be all right
Surrender all your dreams to me tonight
They'll come true in the end
You said, oh, girl, it's a cold world
When you keep it all to yourself
I said, you can't hide on the inside
All the pain you've ever felt
Ransom my heart, baby, don't look back
'Cause we got nobody else

We're running with the shadows of the night
So, baby, take my hand, it'll be all right
Surrender all your dreams to me tonight
They'll come true in the end
You know that sometimes it feels like
It's all moving way too fast
Use every alibi and words you deny
That love ain't meant to last
You can cry tough, baby, it's all right
You can let me down easy, but not tonight
We're running with the shadows of the night
So, baby, take my hand, it'll be all right

Surrender all your dreams to me tonight
They'll come true in the end
We're running with the shadows of the night
So, baby, take my hand, it'll be all right
Surrender all your dreams to me tonight
They'll come true in the end
And now the hands of time are standin' still
Midnight angel, won't you say you will
We're running with the shadows of the night
So, baby, take my hand, it'll be all right
Surrender all your dreams to me tonight
They'll come true in the end
We're running with the shadows of the night
So, baby, take my hand, it'll be all right
Surrender all your dreams to me tonight
They'll come true in the end

We're running with the shadows of the night
So, baby, take my hand, it'll be all right
Surrender all your dreams to me tonight
They'll come true in the end
We're running with the shadows of the night
So, baby, take my hand, it'll be all right
