

Try My Love

[**Philipp Fankhauser**](#)

Try these arms, they're wanting you

Try these lips, they want you too

Try my heart, it will be true

Try my love, try my love Your other loves, well they didn't work out

Heartache and heart break, you've gone that route Try these arms, they're wanting you

Try these lips, they want you too

Try my heart, it will be true

Try my love, try my love You'd have to be deaf, dumb and blind

If you haven't seen, I've been biding my time

Try these arms, they're wanting you

Try these lips, they want you too

Try my heart, it will be true

Try my love, try my love

Try my love, try my love
